Professional Lines Solutions on Amwins IQ

## Bringing Speed and Simplicity to Small Professional Lines Accounts the Amwins Way

Quoting professional lines coverage can be time consuming and inefficient. At Amwins, we're dedicated to finding solutions that help you work smarter without working harder. Our professional lines quoting platform streamlines the process getting firm quotes from multiple carriers into your hands within a matter of minutes.

### Who's it for?

- ✓ Small and middle-market businesses with up to \$100M in revenue.
- ✓ Available to businesses in every state and most industries.
- ✓ Not sure if your risk fits the portal appetite? No problem! We address prohibited classes early in the process, so you don't waste time providing details for ineligible risks.

### The Amwins Advantage

We have direct trading relationships with the carriers utilized in the platform. As the nation's largest wholesale broker, we leverage our scale with these carriers to your benefit.

- ✓ Automatically added, pre-negotiated amendatory endorsements that enhance coverage.
- ✓ Cyber capacity with no MFA requirements.
- ✓ Assistance with claims.

Our professional lines platform is constantly evolving with new carriers, lines of coverage, and exclusive features making Amwins your go-to resource for digital placements

### How does it work?

Throughout the whole process, your Amwins broker is available to provide expertise, best-in-class service and other specialized solutions to solve your client's unique needs.

- 1 Amwins' retail partners log in to our platform and complete one unified set of questions applicable to all markets, rather than pages of questions for each individual market.
- 2 Quotes from multiple carriers are generated instantly with the ability to review and filter by limit and retention. Think Expedia for insurance!
- 3 Download pre-filled carrier specific applications, forms and proposals to share with insureds.
- 4 Request to bind with one click!
