

Amwins Amplify

Amwins Amplify is a cross-class portfolio solution, offering a suite of products available exclusively through Amwins Global Risks brokers. Amplify is supported by a panel of A-rated Lloyd's carriers that provide automatic follow-form capacity across several classes of business.

Offering

- Facility follows recognised expert lead markets in Lloyd's and the London Market
- Best-in-class portfolio data and reporting, including near real-time exposure modelling and bordereaux available through Power BI
- Simple parameters to engage:
 - Risk code
 - TIV
 - Territory
 - Lead market quote
- Access to multiple RMS stochastic models
- On PPL and as easy to trade with as your other markets

Product lines

- US Property (20% / \$10m)
- Marine Cargo (20% / \$12.5m)
- Marine Hull & War (20% / \$9m)

Future state

- Add additional lines, including: Energy, International Property, Construction, Transportation, Professional & Financial Lines
- Increase share of London order
- Continued enhancements to data, reporting, pre- and post-bind exposure modelling

Benefits

Scale - one programme, wide reach

Diversification of risks across multiple classes of business

Lower-costs, low-touch model for carriers

Flexibility - swift entry and exit from classes w/o need to add fixed costs

Alignment through indexation commission structure

Exclusivity - access to suite of products offered only through Amwins Global Risks

Efficient matching of capacity to risk for client - harnessing Lloyd's subscription model via a 'smart-follow' facility structure

Data and MI core to concept

- 10 years of Property paid loss ratios by Occupancy, Producer and Risk Code, split by claims type and more
- Amplify monitors, manages and scrutinises the data to ensure true portfolio optimisation from multiple aspects

Exclusive to AGR — Use us now!

Amwins Global Risks is the international division of Amwins, the largest specialty wholesale distributor in the world, placing more than \$39.8bn in annual premium. We place over \$2.8bn of that premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 750 employees around the world, and a global footprint across more than 120 countries, we've cemented our place as a top 10 contributor to Lloyd's. We're one of the largest independent brokers – and the largest binding authority broker – in the London Market.
