

Amwins Amplify

Amwins Amplify is a cross-class portfolio solution, offering a suite of products exclusively through Amwins Global Risks. Amplify is supported by a panel of A-rated Lloyd's carriers that provide automatic follow-form capacity across several classes of business.

Offering

- Fast, efficient follow capacity based on designated underwriting criteria
- Exclusive to Amwins Global Risks clients – US & International
- Facility follows recognised expert lead markets in Lloyd's and the London Market
- Automatically quotes capacity within 24 hours
- Easy to use; all we need is:
 - Lead market quote
 - Risk code – TIV
 - Territory
- Access to multiple RMS stochastic models
- On PPL and as easy to trade with as your other markets

Product lines

- US Property (20% / \$10m)
- International Property (15% / \$10m)
- Marine Cargo (20% / \$12.5m)
- Marine Hull & War (20% / \$9m)

How Amplify benefits your clients

Exclusive access to suite of products offered only through Amwins Global Risks

A-rated Lloyd's capacity that is additional and separate to existing capacity

Pre-secured and ring-fenced aggregate for Property risks

No re-underwriting and faster claims payments – delegated to Lloyd's lead

How Amplify benefits Amwins brokers

Enhanced commission

Exclusive broking tool and follow placement platform

Efficiency & ease of use: simple trigger for automatic block of in-house capacity

Exclusive to AGR — Use us now!

Amwins Global Risks is the international division of Amwins, the largest specialty wholesale distributor in the world, which places more than \$40bn in annual premium. We place over \$3.2bn of that premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 780 employees around the world, and a global footprint across more than 140 countries, we've cemented our place as a top 10 contributor to Lloyd's. We're one of the largest independent brokers – and the largest binding authority broker – in the London Market.
