50 years of broking

Before renaming as Amwins Global Risks you knew us as THB. Since 1968 THB's specialist broking teams have successfully delivered insurance and reinsurance cover to clients worldwide.

Amwins Global Risks is the international division of Amwins, the largest specialty wholesale distributor in the world, placing more than \$33bn in annual premium. We place over \$2.8bn of that premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 700 employees around the world, and a global footprint across more than 120 countries, we've cemented our place as a top 10 contributor to Lloyd's. We're one of the largest independent brokers – and the largest binding authority broker – in the London Market.
