### WE UNDERSTAND YOUR CLIENTS' PRIORITIES

Savvy small and mid-sized employers are looking for more than false discounts these days. Employers are looking for a reliable PBM partner that can deliver lower costs today and more predictable costs in the future. AmWINS Rx specializes in providing fully insured and self-funded solutions to employers. We offer custom plan designs, pass-through pricing, including mail service and rebates, educational and clinical programs and a reduction in employer administration. Our programs have proven to improve outcomes for employer groups and the employees themselves.
